FIFTEENTH DAY

(Continued)

(Friday, November 22, 1935)

IN THE COMMITTEE OF THE WHOLE HOUSE

(Mr. Spears in the Chair.)

The Committee of the Whole House met at 8:30 o'clock a. m., and was called to order by Mr. Spears.

IN THE HOUSE

(Mr. Stevenson in the Chair.)

Mr. Spears, Chairman of the Committee of the Whole House, reported to the House that the Committee desired to rise and report that the Committee had completed its labors as regards the matter before them and recommended the adoption by the House of Representatives of the following resolution, by Mr. Calvert, as adopted by the Committee of the Whole House:

Whereas, House Simple Resolution No. 36, adopted by the House of Representatives of the Forty-fourth Legislature, First Called Session, provided for an investigation of the evidence pertaining to certain charges therein made against the Commissioner of Agriculture; and

Whereas, Pursuant to the provisions of such resolution, the House of

Representatives, sitting as a Committee of the Whole House, has been in session for several days and has examined many witnesses and made diligent inquiry into the evidence pertaining to the charges made in the said House Simple Resolution No. 36; and

Whereas, The Committee of the Whole has heard all witnesses produced by the steering committee appointed under the terms of House Simple Resolution No. 36, for the purpose of establishing the truth of the matter contained in such charges and cross examination of such witnesses by attorneys for the Honorable J. E. McDonald, Commissioner of Agriculture, respondent, and has heard the testimony of the said J. E. McDonald, respondent; and

Whereas, It is the opinion of the Committee and it so finds, that A. E. McDonald, brother of J. E. McDonald, Commissioner of Agriculture, was paid various and certain sums of money from funds allocated to the Department of Agriculture for expenses in connection with the purchase and distribution of jacks and stallions in the State of Texas under and through a subterfuge perpetrated upon the State by the said A. E. McDonald and one Jim Tate, of which payment and subterfuge the said J. E. McDonald, respondent, had knowledge or by the exercise of ordinary diligence could have known; and

Whereas, It is further the opinion of the Committee and it so finds, that said J. E. McDonald, respondent, appropriated and used funds belonging to special accounts under his supervision, to other and different purposes and channels than those for which said funds were directed under the law, but that such funds were not embezzled or misappropriated by said J. E. McDonald for his personal use or gain; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald interested himself in his official capacity in proposing and sponsoring codes and rules for private industries and lent the weight of his office to such codes and to the control of such industries to the detriment of some individuals engaged in such industries as a means of earning a livelihood, and that in so interesting himself in such codes and regulations the said J. E.

McDonald, respondent, was acting without authority of law but was misleading citizens of this State in the belief that said J. E. McDonald was acting officially and with the sanction of the law; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald, respondent, used his office and the dignity that is attached to such office for the purpose of inducing certain individuals and brokers to extend him favors and credits, which said favors and credits he intended to and did turn to his own personal financial gain; and

Whereas, It is the further opinion of the Committee and it so finds, that the said J. E. McDonald, respondent, either accepted or permitted members of his family to accept, with his knowledge and consent, gifts and presents in the form of certain livestock at a time when the said respondent was engaged in the purchase of livestock for and on behalf of the State of Texas, and at a time when the acceptance by the said J. E. McDonald and/or the members of his family, of such gifts and favors, cast a cloud of suspicion upon the purchases being made by the said J. E. McDonald; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald, respondent, did destroy certain telegrams and letters and other instruments in writing, composing a part of his private or official files at a time when the said respondent and his office were the subject of an investigation by a Legislative Committee, and at a time when the destruction of such records cast a suspicion upon the acts of the said J. E. McDonald; and

Whereas, It is the further opinion of the Committee and it so finds, that the said J. E. McDonald, respondent, has not been guilty of such high crimes or misdemeanors, or of such official misconduct as would warrant the voting of articles of impeachment against him, but it is the opinion of the Committee and it so finds, that the said respondent, J. E. McDonald, has been guilty of acts and conduct that ill becomes a State Official or the dignity of the office of Commissioner of Agriculture of the State of Texas, such acts and conduct being the result not of a wilful and malicious mind or intent but rather of

ignorance or a lack of understanding of his official duties, or a lack of recognition of the dignity of his official position, or of a lack of diligence in the performance of his duties; now therefore be it

Resolved, That no further proceedings in this hearing or matter be had and that it is the sense of this Committee that the said J. E. McDonald, by reason of his negligent and indiscreet acts and conduct is deserving of the censure of this Committee and the House of Representatives; and be it further

Resolved, That the adoption of this resolution shall be and constitute a censure and reprimand of the said J. E. McDonald, Commisisoner of Agriculture, respondent, for his acts and conduct above set out.

CALVERT,
THORNTON,
BUTLER of Karnes,
ROANE.

The chairman also reported the following proceedings had in the Committee of the Whole:

The Committee met at 8:30 o'clock a. m. and was called to order by Mr. Spears.

Mr. Thornton moved a call of the Committee for the purpose of maintaining a quorum until the matter now before the Committee is disposed of, and the call was duly ordered.

On motion of Mr. Craddock, the Sergeant-at-Arms was instructed to bring in all absent members within the city who are not ill.

Hon. Wilson Fox, having been recognized by the Chair, addressed the Committee on behalf of the State of Texas.

Mr. Amos Felts, having been recognized by the Chair, addressed the Committee on behalf of Hon. J. E. McDonald.

(On motion of Mr. Knetsch, the Committee at 10:30 o'clock a. m., took recess to 10:40 o'clock a. m., today.)

Mr. Bill Hancock, having been recognized by the Chair, addressed the Committee on behalf of Hon. J. E. McDonald.

Hon. J. Bryan Bradbury, having been recognized by the Chair, addressed the Committee on behalf of the State of Texas.

Mr. Roane moved the previous question on the pending resolutions and the

amendments thereto on the Chairman's desk, and the main question was ordered.

Mr. McConnell offered the following resolution:

Whereas, The impeachment charges pending against J. E. McDonald in the House of Representatives, sitting as a Committee of the Whole, contained ten or eleven specific charges of official misconduct, nepotism, etc.; and

Whereas, These charges and a proper and careful consideration thereof are of grave importance to the people of Texas on the one hand and to Mr. J. E. McDonald on the other; and

Whereas, Because of the diversified nature of some of the charges, it is imperative that when the House votes upon these impeachment proceedings in order to insure a careful and judicious consideration of each of the charges they should be voted upon separately;

Therefore, we hereby move that Honorable Franklin Spears, presiding as Chairman of the Committee of the Whole, submit for our consideration and vote each of said counts separately rather than voting on all of the same at one time.

McCONNELL,
LINDSEY,
GRAY.

Mr. Farmer offered the following amendment to the resolution:

Amend McConnell Resolution by adding thereto at the close another paragraph to read as follows:

"And be it further resolved, that the Board of Managers do make report to the House of the Articles of Impeachment that may be voted, if any, for such action as the House may determine to take."

The amendment was adopted.

Question recurring on the resolution, it was adopted.

Mr. Calvert offered the following resolution:

Whereas, House Simple Resolution No. 36, adopted by the House of Representatives at the Forty-fourth Legislature, First Called Session, provided for an investigation of the evidence pertaining to certain charges therein made against the Commissioner of Agriculture; and

Whereas, Pursuant to the provisions of such resolution, the House of Representatives, sitting as a Committee of the Whole House, has been in session for several days and has examined many witnesses and made diligent inquiry into the evidence pertaining to the charges made in the said House Simple Resolution No. 36; and

Whereas, The Committee of the Whole has heard all witnesses produced by the steering committee appointed under the terms of House Simple Resolution No. 36, for the purpose of establishing the truth of the matter contained in such charges and cross examination of such witnesses by attorneys for the Honorable J. E. McDonald, Commissioner of Agriculture, respondent, and has heard the testimony of the said J. E. McDonald, respondent; and

Whereas, It is the opinion of the Committee and it so finds, that A. E. McDonald, brother of J. E. McDonald, Commissioner of Agriculture, was paid various and certain sums of money from funds allocated to the Department of Agriculture for expenses in connection with the purchase and distribution of jacks and stallions in the State of Texas under and through a subterfuge perpetrated upon the State by the said A. E. McDonald and one Jim Tate, of which payment and subterfuge the said J. E. McDonald, respondent, had knowledge or by the exercise of ordinary diligence could have known; and

Whereas, It is the further opinion of the Committee and it so finds, that said J. E. McDonald, respondent, appropriated and used funds belonging to special accounts under his supervision, to other and different purposes and channels than those for which said funds were directed under the law, but that such funds were not embezzled or misappropriated by said J. E. McDonald for his personal use or gain; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald interested himself in his official capacity in proposing and sponsoring codes and rules for private industries and lent the weight of his office to such codes and to the control of such industries to the detriment of some individuals engaged in such industries as a means of earning a livelihood, and that in so interesting himself in such codes and regulations the said J. E. McDonald, respondent, was acting without authority of law but was misleading citizens of this State in the belief that said J. E. McDonald was acting officially and with the sanction of the law; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald, respondent, used his office and the dignity that is attached to such office for the purpose of inducing certain individuals and brokers to extend him favors and credits, which said favors and credits he intended to and did turn to his own personal financial gain; and

Whereas, It is the further opinion of the Committee and it so finds, that the said J. E. McDonald, respondent, either accepted or permitted members of his family to accept, with his knowledge and consent, gifts and presents in the form of certain livestock at a time when the said respondent was engaged in the purchase of livestock for and on behalf of the State of Texas, and at a time when the acceptance by the said J. E. McDonald and/or the members of his family, of such gifts and favors, cast a cloud of suspicion upon the purchases being made by the said J. E. McDonald; and

Whereas, The Committee is of the further opinion and it so finds, that the said J. E. McDonald, respondent, did destroy certain telegrams and letters and other instruments in writing,

composing a part of his private or official files at a time when the said respondent and his office were the subject of an investigation by a Legislative Committee, and at a time when the destruction of such records cast a suspicion upon the acts of the said J. E. McDonald; and

Whereas, It is the further opinion of the Committee and it so finds, that the said J. E. McDonald, respondent, has not been guilty of such high crimes or misdemeanors, or of such official misconduct as would warrant the voting of articles of impeachment against him, but it is the opinion of the Committee and it so finds, that the said respondent, J. E. McDonald, has been guilty of acts and conduct that ill becomes a State Official or the dignity of the office of Commissioner of Agriculture of the State of Texas, such acts and conduct being the result not of a wilful and malicious mind or intent but rather of ignorance or a lack of understanding of his official duties, or a lack of recognition of the dignity of his official position, or of a lack of diligence in the performance of his duties; now therefore be it

Resolved, That no further proceedings in this hearing or matter be had and that it is the sense of this Committee that the said J. E. McDonald, by reason of his negligent and indiscreet acts and conduct is deserving of the censure of this Committee and the House of Representatives; and be it further

Resolved, That the adoption of this resolution shall be and constitute a censure and reprimand of the said J. E. McDonald, Commissioner of Agriculture, respondent, for his acts and conduct above set out.

CALVERT,
THORNTON,
BUTLER of Karnes,
ROANE.

Mr. Alsup raised the following points of order on further consideration of the resolution by Mr. Calvert: Mr. Chairman:

"I make the point of order that the resolution as offered by Mr. Calvert is out of order for the reason that the House adopted a resolution authorizing an investigation of the Commissioner of Agriculture and to consider the eleven (11) charges as submitted by the Board of Managers. The Committee of the House can do

nothing more than to consider these charges and vote on said charges. The Committee is without authority to reprimand the Commissioner of Agriculture by virtue of the fact that the Committee is considering a proposition of preferring impeachment charges and nothing more. The resolution as offered by Mr. Calvert is nothing more than what is known in the courts as a suspended sentence and the House is without authority to grant such a sentence. The Calvert resolution admits that the Commissioner of Agriculture is guilty of the charges laid out in the articles as presented by the Board of Managers; therefore, the Committee as a whole can do nothing more than to vote or pass on these charges as presented by the Board of Managers.

"And, I raise the further point of order that the Calvert resolution is in violation of Section IV of Article XV of the State Constitution."

The Chair overruled the points of order, stating that he would submit the matter to the Committee by its vote on the resolution.

Mr. Duvall offered the following substitute for the resolution by Mr. Calvert:

Whereas, Under and by virtue of House Simple Resolution No. 36, adopted by the House of Representatives of the Forty-fourth Legislature, First Called Session, it is therein provided that an investigation shall be had of the evidence pertaining to certain charges made against J. E. McDonald, Commissioner of Agriculture; and

Whereas, Pursuant to the provisions of said resolution, the House of Representatives, sitting as a Committee of the Whole House, has been in continuous session for several days, and has examined many witnesses and considered much documentary evidence and made diligent inquiry into all the evidence pertaining to the charges made in House Simple Resolution No. 36; and

Whereas, The Committee heard all witnesses produced by the Board of Managers, and also all witnesses produced for and on behalf of the Commissioner of Agriculture pertaining to said charges; and

Whereas, It is the opinion of the Committee, and it so finds that said J. E. McDonald, Commissioner of Agriculture, has been

guilty of indiscretions and irregularities in the conduct and management of the affairs of his office, but that no money has been embezzled and the financial interest of the State has not suffered thereby; therefore, be it

Resolved, That it is the sense of this Committee that said indiscretions and irregularities are not of sufficient seriousness to warrant the adoption of impeachment charges; and be it further

Resolved, That this Committee make its report to the House recommending that no impeachment charges be preferred against the said J. E. McDonald, Commissioner of Agriculture.

Mr. Pope moved to reconsider the vote by which the report was adopted, and to table the motion to reconsider.

The motion to table prevailed.

REASONS FOR VOTE

I voted against the adoption of the Calvert resolution because, the House of Representatives has no authority given it under the Constitution or laws of the State of Texas to reprimand, either by resolution or personally, a State official, therefore, under my Constitutional oath of office I can not be a party to such proceedings.

In my opinion the defendant was guilty on five of the ten charges that he was so charged. The evidence on these charges, (and the defendant so admitted his guilt), was of such nature that would warrant impeachment charges being voted against the Commissioner of Agriculture.

WOOD of Harrison.

I would have voted present and not voting on the Articles because I have had to be absent during the hearing. I voted "no" on the Duvall and Calvert resolutions because I feel like the

House should either convict or exonerate Mr. McDonald.

HYDER.

My reason for voting "no" on the resolutions was because I did not think we had the right to reprimand Mr. McDonald. Nor did I think it fair to Mr. McDonald, because he was either guilty or not guilty.

FRANK A. WOOD.

EXTENDING VOTE OF THANKS

Hon. Harry Graves, of Williamson County, moved that the House of Representatives extend a vote of thanks to the Board of Managers on the part of the House, the Chairman presiding, to Mr. Street of the Attorney General's Department, and to the counsel representing Mr. McDonald for the fair and impartial manner in which the hearing was conducted.

The motion prevailed.

ADJOURNMENT SINE DIE

Mr. Spears moved that the House of Representatives of the Second Called Session of the Forty-fourth Legislature do now adjourn sine die.

The motion prevailed.

Speaker Stevenson, accordingly, at 1:00 o'clock p. m., pronounced the House of Representatives of the Second Called Session of the Forty-fourth Legislature adjourned sine die.
